### EDUCATION

- |                                                        |                    |
|--------------------------------------------------------|--------------------|
| • BCA   Govt. Holkar Science College (DAVV)            | CGPA:8.0   2022-24 |
| • 12th (MP Board)   School For Excellence, Dewas       | 81.2%   2020-21    |
| • 10th (MP Board)   Gravity Convent H.S School , Dewas | 94%   2018-19      |

### PROJECTS

#### CoolBlogs WebApp - [live demo](#) [Github](#)

- A dynamic web application built with the MERN stack, designed to connect users through blogs and foster a vibrant community of readers and writers.
- **Hosting Details:** Frontend deployed on Vercel; Backend hosted on Render.
- **Technology Stack:** MERN (MongoDB, Express.js, React.js, Node.js).

#### Key Features:

- **Authentication:** Secure login/signup with email verification via Nodemailer.
- **Forgot Password:** OTP-based password recovery for enhanced security.
- **Blog Management:** Dedicated pages for immersive blog reading and content creation.
- **Admin Panel:** Efficient content moderation and user management.
- **Contact Us:** Integrated support and feedback channel.
- **Responsive Design:** Fully optimized for all devices.

**Note:-** Initial page load may be slow due to the limitations of free hosting platforms.

#### Other Projects :

- |                                 |                          |                           |
|---------------------------------|--------------------------|---------------------------|
| • BookStore WebApp (MERN Stack) | - <a href="#">Github</a> | <a href="#">live demo</a> |
| • Word_To_Pdf_Converter         | - <a href="#">Github</a> |                           |
| • Real time Currency Converter  | - <a href="#">Github</a> |                           |
| • ToDo Webapp                   | - <a href="#">Github</a> |                           |
| • Tic-Tac-Toe Game              | - <a href="#">Github</a> |                           |

### \*\*Achievements & Certifications:\*\*

- \*\*PW Backend Development\*\*
  - Completed a comprehensive backend development course by PW.
- \*\*Alpha by Apna College (DSA)\*\*
  - Successfully completed a course in Data Structures and Algorithms.
